Poly — Pendant Light

Light inspired by the geodesic sphere. It can be suspended as a pendant light or used as a floor lamp.

Poly is made from individual aluminium pieces fused together to create the faceted form. In a white gloss exterior with a golden glowing interior and gold braided cable.

Size H340 x Ø400mm

Time — Shelves

Inspired by time and motion, the shape of the frame suggests that of an egg timer with the shelves offset at various lengths.

Time shelves are freestanding with solid oak shelves supported by a tubular steel frame available in a range of colours.

Size H1640xW1580xD350mm

Materials Oak shelves/Powder Coated Tubular Steel Frame

Shell — Table

The shell table is a refined organic form of pure lines with a flawless, highly reflective surface.

The black polished table top gives the illusion of a hollow eggshell.

Size H450xW1200xD750mm (Max)

Materials Corian/Black Mirror Top

Schtum — Seating/Table

Schtum is a modular seating and table system based on simple shapes that pack together to make a block that is easy to store. Schtum is made from polyurethane coated foam with an option for a light in the central module. It can be made to match any Pantone/RAL colour and is suitable for both indoor and outdoor environments

Size H1000xW1000xD450mm
 (Packed together as a block)

Materials Foam with polyurethane coating

Drop — Candle Holder

Informed by a graphic abstraction of a wax droplet. Made from hand-turned timber with a high gloss paint finish.

Small H150 x W140mm
 Medium H300 x W140mm
 Large H400 x W140mm

Colours White/Blue/Black/Timber

Doris — Side Table

Doris is an elegant folded aluminium side table with a milled linear design over both sides. Doris can be accompanied by her younger siblings forming a nested family of side tables.

Small H425xW380xD390mm
 Medium H445xW400xD410mm
 Large H465xW420xD430mm

Materials Powder Coated Aluminium

Hook Up — Coat Hooks

Hook Ups are a series of coat hooks inspired by tape measures enabling you to check your height as well as hang up your coat. Hook Ups are made from folded sprayed steel with a screen printed design and is available in a range of heights and colours. They are simple, playful and affordable designs which appeal to children and adults alike.

Materials Screen print on powder coated steel

Ice — Coat Stand
